About

Charlie’s Angels: The Band is a three-musician cover act built as a homage to the 1970s and the classic TV series. The show uses vintage props from the television show, period costumes, and on-stage banter to frame the set with a clear retro theme.

The repertoire centers on dance-worthy hits from the golden ’70s and early ’80s, including Carry On My Wayward Son, Magic Man, Jungle Boogie, Fox on the Run, and On the Radio, along with other uptempo songs from the era.

For buyers, the format is easy to understand at a glance: a themed cover show with recognizable material, visual styling tied to the TV reference, and a set built around upbeat songs.
