Billy Nation

A Tribute to Billy Joel

About

Billy Nation is a Billy Joel tribute centered on the classics from the 70s, 80s, and 90s. Built as a musical celebration of an artist whose catalog includes over 33 top 40 hits, the show covers the range of Billy Joel's songwriting, from anthems like Piano Man to rockers like You May Be Right to ballads like Just the Way You Are.

The performance is led by pianist and vocalist Adam Shapiro and includes the key elements audiences expect from this music: Billy's signature grand piano, growling saxophone, rich harmonies, and active audience engagement. The focus is not only on the songs, but also on the look and aesthetics associated with Billy Joel onstage.

Billy Nation is designed for buyers who want a tribute that stays close to the spirit of the original material. The show aims to recreate the atmosphere, energy, and feel of Billy Joel's early concerts, giving fans a chance to revisit that era of music through a full live-band presentation.
