Birds of a Feather - Featuring Bad Guy Billie & Pink Pony Girl

Birds of a Feather is a one-of-a-kind tribute experience celebrating the music of two groundbreaking artists—Chappell Roan and Billie Eilish.

About

Birds of a Feather - Featuring Bad Guy Billie & Pink Pony Girl is a specialty tribute show built around the music of Chappell Roan and Billie Eilish. Based in Hollywood, CA, the act brings together Bad Guy Billie, a Billie Eilish tribute band, and Pink Pony Girl, a Chappell Roan tribute band, in one combined live experience.

The show pairs Chappell Roan's theatrical pop and vibrant anthems with Billie Eilish's darker, genre-bending sound. The result is a set that moves between larger-scale pop moments and a more intimate, brooding atmosphere while keeping both artists at the center of the performance.

Performed by featured vocalists with a live band, Birds of a Feather focuses on the distinct feel of each catalog, from the flair of Red Wine Supernova to the intensity of bury a friend. It is a clear fit for buyers looking for a tribute format that combines two current pop artists in a single bill.
