Cappo Kelley

Roots Reggae Music Covers

About

Cappo Kelley is a San Diego, California reggae act centered on Lovers Rock Reggae, with a smooth, soulful set built around songs made famous by Gregory Isaacs, Sugar Minott, Dennis Brown, Beres Hammond, John Holt, and Bob Marley.

Alongside those timeless hits, the band mixes classic reggae riddims with modern favorites and includes original material that sits naturally within the genre. The result is a set that stays rooted in Lovers Rock while giving buyers a little more range than a straight covers-only show.

Cappo Kelley has performed in clubs, festivals, celebrity golf tournaments, elementary school PTA events, art gallery openings, fairs, and private parties. The band is family-friendly and works across a wide variety of event settings.

Lineups can be scaled to fit the room and occasion. The group performs as a 3-piece with guitar/vocals, bass, and drums for smaller setups, or as a 6-piece with saxophone, keys, and live dub mixing for a fuller reggae presentation.

For buyers looking for Lovers Rock reggae from a San Diego-based act, Cappo Kelley offers a format that can cover intimate gatherings, beach parties, cultural events, and corporate functions with a clear reggae identity and flexible band size.
