# Cheap Tricked

A Tribute To Cheap Trick

## About

Cheap Tricked is a Southern California tribute to Cheap Trick built around the band's visual and musical calling cards. The show includes costumes, replicas of Cheap Trick’s unique instruments, checkerboard staging, classic hit songs, and the showmanship fans expect from this material.

The group has performed shows all over the country for Cheap Trick fans who respond to both the look and the sound of the band.

On a side note, the band’s singer has worked with actor Jeff Garlin for years on the set of HBO’s Curb Your Enthusiasm. Garlin also appeared in Daddy Day Care with the real Cheap Trick, and through that connection both bands have been able to give each other a big thumbs up.
