Dead Letter Office - International Tribute to R.E.M.

A Tribute to R. E. M.

About

Dead Letter Office - International Tribute to R.E.M. focuses on recreating the music and live feel of an R.E.M. show. Based in Western New York, the band has been performing since 2014, with appearances throughout the U.S. and Canada.

Their set draws from both the major hits and deeper catalog material, making the show easy to place for general audiences while still giving longtime R.E.M. fans more than the expected singles.

They are the only R.E.M. tribute band to have had members of R.E.M. perform with them: Mike Mills joined them on stage in Buffalo, NY, and Peter Buck joined them on stage at Clusterfest in San Francisco.
