Flashback Heart Attack

## About

Flashback Heart Attack is a new wave 80s show from Orange County, CA that also plays internationally. Built around the biggest new wave 80s hits plus other crowd staples like Don't Stop Believin, the set is designed for buyers who want a familiar, high-participation show that starts quickly and stays moving.

The band's approach combines a big sound, detailed accuracy, choreographed stage moves, funny stage shtick, and authentic leather suits. That mix gives the show a clear identity beyond a standard cover-band set while keeping the focus on songs people know and want to sing along to.

Their repertoire includes renditions of Just Like Heaven, Your Love, Blister in the Sun, Jesse's Girl, and Don't Stop Believin, along with many others from the era. The performance style is high-energy and audience-facing, with witty stage talk and a pace aimed at keeping people singing and dancing from the first song.

Flashback Heart Attack has performed for corporations, events, sports stars, schools, and celebrities. For buyers, the value is straightforward: a polished 80s-driven act with recognizable songs, a defined stage presentation, and a show built to keep the room engaged across a wide range of crowd sizes.
