Fleetwood Gold

Tribute to Fleetwood Mac

About

Fleetwood Gold is a Fleetwood Mac tribute based in Columbus, Ohio, covering the band's best-known music from the early years through Stevie Nicks' solo career. The show centers on tightly fused harmonies, soaring lead vocals, and strong guitar work aimed at the authentic sound of Fleetwood Mac.

It's all about the music. No backing tracks or tricks. The band is led by two-time national blues guitar champion Chris Shutters (Lyndsey) along with Columbus, Ohio-based singer/songwriters Erika Prehm (Stevie) and Sara Reat (Christine).

Though new on the scene, Fleetwood Gold began selling out venues in 2021 and has continued reaching larger audiences while building a devoted fan base. In less than 18 months, the band grew to over 5,900 followers and has set itself apart from other tributes through its vocal harmonies, lead vocals, and instrumental excellence.

Fleetwood Gold is now becoming highly sought after by performing arts centers, fairs, festivals, and private events.
