GarthGuy

A Tribute to Garth Brooks

About

Dean Simmons has presented his Garth Brooks tribute show since 1995. A third-generation professional country singer and musician, he centers the act on a close recreation of Garth Brooks in both sound and stage presence.

The performance is built around the details named in the source material: the look, the sound, the walk, the laugh, and the charisma associated with Garth Brooks. For buyers, that makes the tribute easy to place and easy to understand at a glance.

Known as GarthGuy, Dean Simmons has performed this show at the top levels of the industry and brings long-term experience to a tribute focused squarely on country music's biggest star.
