Geezer

Geezer blend rock, comedy, rap and barbershoppe to hilariously swing the entire history of popular music from AC/DC and Dr Dre back to Buddy Holly and the Beatles, mashed up mid-song with spot-on Weezer and Beastie Boys hits. The world's oldest coverband has been an answer on NPR's Ask Me Another, appeared in a KIA adverisement with Weezer at the band's personal request, headlined Long Beach's sold-out first annual Littlepalooza for small children and opened for Vanilla Ice, Coolio and Young MC in front of 6000 hiphop fans for Magic 92.5FM at San Diego's Petco Park. One of the most unique acts of all-time, they're probably the only band on earth that has played dive bars, rap shows, bar mitzvahs, retirement parties, comedy clubs, three-set casino gigs and punk festivals....then passed out cookies.
