Kid Kentucky

Tribute to Kid Rock

About

Kid Kentucky and the American Badass Band is a Kid Rock tribute act based out of Nashville, Tennessee. The show is built to give Kid Rock fans a live experience that stays close to the real thing, with the look, sound, and high-energy feel described in the original act copy.

The set covers Kid Rock hits across the full range of his catalog, moving from rock to country to Kid Rock rap and back again. That mix gives buyers a clear picture of the room: a loud, familiar, party-driven tribute show aimed at fans who want the songs and the attitude they know.

According to the act's current materials, audiences often spend the opening of the show doing a double take before the night quickly shifts into full gear. The cameras come out, the reactions build, and the band leans into a concert-style delivery from the first note to the last.

Touring out of Nashville, Kid Kentucky and the American Badass Band take the show north, south, east, and west for buyers looking to book a dedicated Kid Rock tribute with a recognizable format and a clear fan audience.
