Lainey Nation: A Tribute to Lainey Wilson

Lainey Wilson Tribute Band

About

Lainey Nation is a Lainey Wilson tribute built around a full 90-minute set of Wilson's well-known songs and signature style. Fronted by Caitlin Evanson, the show is designed for buyers who want a clear tribute format with familiar material and a performer with major touring experience.

Caitlin Evanson is a multi-instrumentalist and vocalist who has performed with Taylor Swift, Shakira, Ringo Starr, Keith Urban, and more. Her background brings a seasoned, professional foundation to the project and helps position the show as a focused Lainey Wilson tribute rather than a general country cover set.

The set includes songs such as Heart Like a Truck, Watermelon Moonshine, Things a Man Oughta Know, Wildflowers and Wild Horses, Never Say Never, and Wait in the Truck. For buyers looking for format flexibility, Lainey Nation also offers a half-and-half show with Wallen Nation, a Morgan Wallen tribute.

A co-headlining option is also available with Wallen Nation, featuring Caitlin alongside her husband on guitar. That version was built to connect with fans of both artists while giving venues and events a two-artist tribute option in one booking.

Lainey Nation is suited to festivals, casinos, and private events looking for a tribute centered on recognizable current-country material, a defined show format, and experienced players.
