Larger Than Life

A Boy Band Tribute

Larger Than Life Boy Band

About

Larger Than Life is a New York boy band tribute built around live singing, dancing, costumes, and the pop look associated with the format. The show centers on a 90s party feel, with a set designed to bring back the era of major boy band hits.

Their repertoire includes more than 40 songs from the Backstreet Boys, NSYNC, New Kids On The Block, 98 Degrees, O-Town, Boyz II Men, LFO, One Direction, and more. For added range, the group also reaches further back with songs by The Jackson 5, The Temptations, The Four Seasons, and other classic male groups.

For buyers, the concept is easy to place: a tribute act focused on recognizable boy band material, built with singing, choreography, costumes, and clear theme recognition from start to finish.
