Leo Days as Elvis

Tribute To Elvis

About

Leo Days as Elvis is an Elvis Presley tribute act built on decades of study of the music, look, voice, and stage mannerisms associated with the King of Rock and Roll. His connection to the material started in 1983 after seeing Elvis perform If I Can Dream on television, and that early influence led to years of listening to the records and watching the films.

Leo Days performs live vocals and also plays piano and guitar, giving buyers an Elvis tribute centered on recognizable performance details as well as live musicianship. The show is focused on delivering an authentic rock and roll experience drawn from Elvis Presley's style and presence.

He has performed thousands of shows across weddings, corporate events, theaters, cruise ships, casinos, and music festivals. His stage experience includes ten years with Legends in Concert, the longest running show on the Las Vegas Strip, where he was cast in all Legends venues including Foxwoods Resort and Casino, Branson, Myrtle Beach, Hawaii, and Las Vegas.

Leo was also part of the first cast to board the Norwegian Epic Cruise Ship. From 2010 to 2015, he toured the United States with Onstage Entertainment's Elvis Lives Tour. In 2015, he headlined his own Waikiki production, Burn'n Love, which was rated #1 on TripAdvisor during its run on the island.

He was also selected by Cirque Du Soleil to portray Elvis in Viva Elvis and trained one-on-one in Montreal with the cast and creators of the show. For buyers looking for an established Elvis tribute

with wide event experience and major production credits already in place, Leo Days brings a format that is easy to place across private events, theaters, casinos, cruise entertainment, and festival bills.
