Murdërone

The Ultimate Motörhead Experience

About

Backed by the Motörhead crëw Murdërone delivers an authentic, no-frills, high-volume assault that honors the raw power, attitude, and legacy of motörhead exactly as it was meant to be played: loud, fast, and unapologetic. This is not a reimagining—it's a faithful resurrection of one of the most influential bands in heavy metal history.

CELLO DIAS - Bassist & Vocals
Is a well seasoned metal musician best known for his work with veteran metal Brazilian group Soulfly and for his influential contributions across the group's first 3 albums and playing a key role in shaping their early sound—blending heavy groove metal with tribal and world-music elements. During this era, Soulfly achieved worldwide touring success and RIAA gold-certified releases.
Following his time with Soulfly, Cello continued to expand his musical reach through bands such as Abloom and Against All Will, showcasing versatility across metal, hard rock, and alternative styles. Today, Cello brings his experience and unmistakable low-end power to Murdërone, honoring the raw energy and spirit of Motörhead.

TY ASOUDEGAN - Lead Guitarist & Back Vocals
Is a Los Angeles–based guitarist, songwriter, and producer known for his blistering precision, fearless tone, and deep-rooted respect for classic hard rock and metal. Originally from Philadelphia and a graduate of the
prestigious Berklee College of Music, Ty combines elite technical training with raw, street-level grit,

carving out a sound that's both disciplined and dangerous.
Ty has shared stages with artists including Jake E. Lee, Lizzy Borden, Rose Tattoo, Michael Angelo Batio, and Black Star Riders. His rising profile gained national attention when Slash personally selected him as the Grand Prize Winner of Guitar Center's "On Stage" competition, leading to a feature in Guitar Player Magazine.
Ty Asoudegan continues to push forward with murdërone—delivering loud, unapologetic rock fueled by authenticity, attitude, and relentless momentum.

FRED ACHING - Drummer
His playing blends raw power with technical finesse, making him equally home in studio sessions, high-intensity live settings, and full-scale tours.
Fred's versatility and professionalism have led him to record and perform with an impressive range of established acts across rock and metal. His credits include Kings of Thrash, feat Megadeth' bassist David Ellefson, Powerflo, feat Billy Biohazard, and Cypress Hill's Sean Dog demonstrating his ability to adapt to diverse stylistic environments while maintaining his signature drive and groove.
