RagDolls

Tribute to Aerosmith

About

RagDolls is an Aerosmith tribute band built on gritty rock and roll, strong stage presence, and a clear love for the music. The band has been described as an all-female Aerosmith tribute, but the focus here is the performance: energetic, powerful, and rooted in the sound and spirit of Aerosmith.

In just a few years, RagDolls has risen quickly through the tribute ranks and earned critical acclaim that many tribute acts take far longer to reach. Their set digs into the soul of one of America's greatest rock and roll bands, with performances shaped by the energy and charisma that define the Aerosmith catalog.

For buyers, the pitch is straightforward. RagDolls offers an Aerosmith tribute aimed at delivering the essence of the original band, driven by admiration for the music and a commitment to making the show feel real in the room. The goal is simple: leave audiences feeling like they experienced the real thing.
