Schroomville

Schroomville – A Tribute To The Allman Brothers!

About

Schroomville is a DFW-based group built around the music of The Allman Brothers Band. The band first came together to play early-'70s rock, but the Allman Brothers material steadily took over the set until the focus became clear.

Between them, the musicians bring 150 years of combined playing and performing experience. They were drawn to this catalog for two reasons: it is demanding music to play, and it leaves room for individual expression through improvisation.

Schroomville covers all phases of the Allman Brothers Band's career and aims to deliver the sight, sound, and intensity associated with an Allman Brothers Band performance every time they take the stage.
