SiC Tx

Tribute to Slipknot

About

SiC Tx is a 9-member Slipknot tribute from the Dallas-Fort Worth metroplex, built to recreate both the sound and stage impact of the original band. The show is full-production, with a focus on precision, intensity, and the chaos fans expect from a Slipknot set.

The band performs note-for-note recreations of Slipknot's most iconic material, covering the raw force of the early self-titled era through the band's later modern metal anthems. For buyers, that makes the set easy to place: familiar songs, a clear tribute focus, and a performance style that matches the source material.

Onstage, SiC Tx supports the music with fully accurate masks and jumpsuits, custom percussion rigs, and aggressive choreography. The result is a tribute built for fans who want the full visual and musical experience, not a loose interpretation.

For venues and events looking to book a Slipknot tribute with a 9-piece lineup and established production elements, SiC Tx offers a direct, faithful take on the band's sound and presentation.
