A Tribute To Slipnot

About

Slip-Not is a Slipknot tribute band from Springfield, Massachusetts. The band was founded in 2006 by guitarist Marc Guyette and bassist Bill Brault. What started as an experiment at its first show quickly took off, and the band has continued through lineup changes to reach its current lineup.

The show is built around a close Slipknot presentation, with attention to sound, energy, and visual detail. Slip-Not is known for detailed costumes and masks along with a stage show designed to reflect the feel of the real band.

For buyers looking for a specific era, Slip-Not can arrange a presentation based on the original Slipknot lineup before the passing of Paul Gray, or the newer lineup featuring the newer members on drums and bass with the newer masks and suits.

The goal is straightforward: to be the spitting image of Slipknot in both look and sound.
