Synchronicity

Tribute to The Police

About

Synchronicity is a tribute to The Police, focused on the band's signature sound, style, and live energy. The set centers on well-known songs including Every Breath You Take, Roxanne, and Message in a Bottle, delivered with close attention to the details that defined the original recordings and performances.

Fronted by a lead vocalist who channels Sting's vocal timbre and stage presence, Synchronicity aims for a faithful take on The Police catalog rather than a loose interpretation. Tight arrangements and dynamic instrumentation keep the show grounded in the distinctive feel that made the band stand out.

For buyers, the appeal is straightforward: a recognizable Police tribute built around familiar hits, authentic presentation, and a clear musical focus that works for devoted fans as well as newer listeners.
