About

The Experience-A Tribute To Jimi Hendrix is a Las Vegas-based tribute led by Trevor James, built around the songs and performance feel that defined Hendrix's catalog. The set draws from Purple Haze, Voodoo Child, Foxy Lady, Hey Joe, The Wind Cries Mary, Red House, Fire, and All Along the Watchtower, giving buyers a clear classic rock and blues-driven tribute format.

Trevor James brings over 20 years of experience to the show, with guitar work, vocals, and a stage presence centered on Hendrix's sound, style, and spirit. His approach is rooted in a clear reverence for Hendrix's artistry rather than a loose interpretation, making the act easy to place for tribute nights, rock rooms, festivals, and buyers looking for familiar material with strong recognition.

The show is backed by a full band, with a loud, high-energy presentation shaped around the raw, psychedelic edge associated with Hendrix's music. From heavier riff-driven songs to blues-based material and more melodic staples, the set covers a range that fits rock fans, blues listeners, and general live music crowds.

For buyers, the appeal is straightforward: a focused Jimi Hendrix tribute from Las Vegas with an established lead performer, a known songbook, and a band presentation designed to deliver the

sound, swagger, and feel tied to Hendrix's legacy. Trevor James has performed for audiences ranging from underground clubs to large festival stages, bringing the same tribute focus to each setting.
