The Hits

Tribute to The Spirit of America

About

Based in Las Vegas, The Hits is a live cover production built around two shows: The Hits and The Hits: A Tribute to the Spirit of America. Both are designed as all-ages presentations that pair a live band with specialty performers and multimedia staging.

The Hits moves across pop, rock, country, R&B, and dance songs drawn from radio, television, and film. The setlist spans multiple decades and includes music associated with artists such as Queen, Journey, Shania Twain, Beyoncé, Bruno Mars, Garth Brooks, Whitney Houston, Michael Jackson, Madonna, Billy Joel, Earth, Wind & Fire, Stevie Wonder, and Lady Gaga. The format centers on recognizable songs, strong vocals, and a full-stage presentation with visuals and specialty acts.

The Hits: A Tribute to the Spirit of America takes a patriotic approach, focusing on music that helped shape American culture. The show connects American pop with its roots in Blues, Gospel, and R&B, and presents that material through a mix of styles and eras. Aerialists, specialty performers, fresh arrangements, and cinematic visuals are part of the production.

For buyers, the concept is straightforward: two themed cover-show options, broad song recognition, and a larger-format presentation built around familiar music and visual production.
