The Little Monsters Tribute to Lady Gaga

Tribute to Lady Gaga

About

The Little Monsters Tribute to Lady Gaga is a Midwest tribute act focused on delivering a full Lady Gaga-style show. Since debuting at Summerfest ’21, the band has built its presentation around the music, visuals, and theatrical pace associated with Gaga’s live performances.

The show features a troupe of professional dancers, handcrafted replica costumes based on Gaga’s iconic looks, stage props, synchronized lighting, immersive video backdrops, and arena-style effects. Fast costume changes and tightly executed choreography keep the set moving, with each number designed to match the style and energy of the original material.

The repertoire includes fan favorites such as Poker Face, Just Dance, Born This Way, Shallow, and Bad Romance, along with more Gaga material. Vocals, choreography, and visual details are all geared toward an authentic tribute experience rather than a standard cover set.

For buyers, the format is easy to place: a recognizable Lady Gaga tribute built for audiences who want a high-energy pop show with strong visual production and familiar songs. It suits rooms and events looking for a theatrical tribute presentation with dancers, costumes, and a clear pop focus.
