The Long Run

Tribute to The Eagles

About

The Long Run is a tribute to The Eagles based in Northern Colorado's Front Range. Formed in 2009, the band quickly began playing fairs and festivals across the Four Corners region and beyond.

In April 2019, they marked their 10-year anniversary with a concert at the Paramount Theatre in downtown Denver. That same summer, they also appeared at Red Rocks Amphitheater in Morrison, Colorado.

Their show centers on faithfully re-creating the 70s sound of The Eagles, presented in a format that is easy for buyers to place for fairs, festivals, and concert settings.
