The Smokin' Crows

A Tribute To The Black Crows

About

The Smokin' Crows is a six-piece tribute focused on the music and sound of The Black Crowes. The set draws from the band's early '90s rise, including well-known songs such as Hard to Handle, She Talks to Angels, and Remedy.

The band's song list leans heavily on the 5x platinum debut Shake Your Money Maker and the multi-platinum follow-up The Southern Harmony and Musical Companion, with additional selections from the gold-selling Amorica and By Your Side.

Built around the bar-room blues, swagger, and hard rock at the core of The Black Crowes catalog, The Smokin' Crows delivers a set rooted in classic vintage-style rock and roll. The result is a straightforward tribute format that is easy to place for buyers looking for recognizable Black Crowes material and a full-band live rock show.
