About

The U2xPERIENCE, the Ultimate Tribute to U2, is arguably one of the best U2 tribute bands in the world. The show is a near perfect recreation of a live U2 concert that sonically, visually and spiritually captures audiences. They not only sound like U2, they look like them, and sing and play 100% live with a raw rock and roll energy and minimal use of backing tracks, just like U2. The performance moves fans, and those new to the U2 catalog, with the beautiful sound and message.
These world class artists have performed all over the world and have graced the stages of Carnegie Hall, The Royal Albert Hall, Marc Cuban's AXS TV show "The World's Greatest Tribute Bands", Kleinhans Music Hall with the Buffalo Philharmonic, and many more. Based in Southern California, they perform nationally and internationally in concert venues, casinos, concerts in the park, clubs, corporate events and even weddings.
The U2xPERIENCE is truly a must see musical and spiritual experience!
