Walk Like a Man

Tribute to Frankie Valli

About

Walk Like a Man is a Frankie Valli and The Four Seasons tribute based in Los Angeles, California. The show draws on the music associated with the Broadway hit and film The Jersey Boys, centered on familiar songs including Sherry Baby, Big Girls Don't Cry, Oh What A Night, and Can't Take My Eyes Off You.

The performance is built to recreate the feel of a live Frankie Valli and The Four Seasons concert, with a strong focus on recognizable material and a nostalgia-led set buyers can place quickly for audiences who know the catalog as well as those hearing it for the first time.

Fronting the show is Val Martinez, who spent four years touring with Frankie Valli after being hand-picked to sing and dance as one of the 4 Seasons. He is joined by a group of entertainers whose backgrounds include national shows, movies, television, and major music recordings.

For buyers looking for a clear tribute angle with well-known songs and direct audience recognition, Walk Like a Man offers a straightforward Frankie Valli and Four Seasons-centered show with material people already know.
