WALL OF ECHOES

Tribute to Pink Floyd

About

WALL OF ECHOES is a Pink Floyd tribute band based in Tampa Bay, Florida, and performing throughout the state since 2005. The band is identified in its current materials as Florida's longest running Pink Floyd tribute band.

The show is built around energetic live performance, accurate sonic portrayals, and strong visual imagery in service of Pink Floyd's music. The focus is on faithful recreation by a lineup of musicians who share a clear commitment to the material.

Their set draws from every era of Pink Floyd's catalog, covering the formative years of the 1960s, the major albums of the 1970s, and songs from the 80s and 90s. For buyers, that means a tribute act with range across the band's best-known periods rather than a narrow-era set.

WALL OF ECHOES also performs full albums within their show, including Animals, Wish You Were Here, and The Dark Side of the Moon. That makes the act easy to place for buyers looking for a broad Pink Floyd retrospective or an album-focused presentation.
