Wanted Man

Tribute to RATT

About

Wanted Man is a Los Angeles tribute band focused on Ratt and the 1980s Sunset Strip hard rock era. Their set is built to recreate that glam-meets-grit sound, with the raw energy and sleaze-rock swagger tied to the decade.

Frontman Michael Hernandez leads the show on vocals, bringing the range and attitude associated with the era's best-known hard rock singers. His stage presence keeps the performance direct and performance-driven rather than nostalgic in name only.

Behind him, the band is geared for tight recreations of the sound that defined the period, including dual-guitar parts and a heavy rhythm section. The result is a Ratt tribute that stays focused on familiar hard rock dynamics, strong band interplay, and a clear connection to the Sunset Strip style that shaped the original material.
