# Young Guns

Tribute to the Superstars of Country Music

## About

Young Guns is a country cover band built for corporate events, cruise ships, festivals, weddings, casinos, and clubs. Their setlist covers country songs from the 60’s, 70’s, 80’s, and 90’s through today, giving buyers a wide era range in one act.

Alongside country favorites, the band works in country rock from Lynyrd Skynyrd, The Eagles, 38 Special, and ZZ Top. They also “country fry” rock anthems from Kid Rock, AC/DC, Guns ’n’ Roses, and Bon Jovi, adding a rock edge to the show without leaving the country lane.

Young Guns is not a standard country band. The show is built to keep people dancing, with a mix of older classics and newer country material. As country music has evolved, the band has stayed focused on both sides of the format, covering the old and the new across the expanding genre.

With roots in the folk music of the Southeast, cowboy music of the West, and rock and roll, the band brings harmonies, rhythms, and romantic ballads to the stage. Their sound features electric and acoustic guitars, banjo, violin, and vocals.
