

Hospitality Rider

Hotel Accommodations: Band prefers 2-4 (preferably 4) double-bed hotel rooms to be provided by Purchaser for the night of the performance. Hotel is preferred to be within 15 miles of the venue. Hotel/Lodging will have consistent favorable online reviews and will have internal room doors.

Food: Band prefers if Purchaser provides Band with 4 meals prior to Show.

- If onsite, food will be provided no less than 60 minutes prior to Show time
- If offsite, food will be provided no less than 90 minutes prior to Show time

Drink: Purchaser will provide band a case of 32 bottles of **purified** water backstage for the band for use during sound check and the performance.

Dressing Room/Back Stage: Band will be provided a secluded space for dressing and relaxation prior to the show with ample space, minimum of 4 chairs, and (preferably) a private bathroom. Band will have the option for privacy with complete isolation from venue staff.

Complementary Tickets: For ticketed shows, Band prefers to receive eight (8) complimentary tickets to be used at their own discretion. These tickets are preferred to be mailed to Band address at least 2 weeks prior to Show but will also agree to providing Venue a list of names for whom the tickets will be given.

Merchandise: Venue will supply a table and chair in an area within close proximity to the performance area to be made available to the Band for the purpose of merchandise sales and all sales proceeds will go directly to the Band.

Stage and Lights: Purchaser will provide quality lighting gear, PA, technician and stage to fit the needs of the bands provided stage plot. The stage must be of at least 16'x12' and Band prefers drummer to be on a drum riser. The Band is not responsible for any costs in this department. Band will provide own back line, in-ear monitor systems, on-stage monitor mixer, vocal microphones, and instruments for shows within 6 hours of driving time of Band home base. For shows that require flights to the Venue, Purchaser will also supply back line, instruments, and in-ear monitor systems per Band's required equipment list.

Disclaimer: Failure of Purchaser to comply with the stipulations of this Rider could result in delay of the start of the performance resulting in a shortened performance.
